Finding What You Need: Filtered Search

The main way to find content is filtered search, via the main search box.

FILTERED SEARCH

The filtered search field will initially search the title, author and keywords of a book. So, if a word or a string of words are entered, matches will be displayed.

From the initial query, users can then filter their search using a number of filters:

- » Search by Access Type
- » Search by Subject
- » Search by Publication Dates
- » Search by Imprint (e.g. Routledge, CRC Press).
- » Search by eBook Collections
- » Search by Authors

Finding What You Need: **Auto Complete**

When a user starts to type a word in the search bar, six titles will automatically appear.

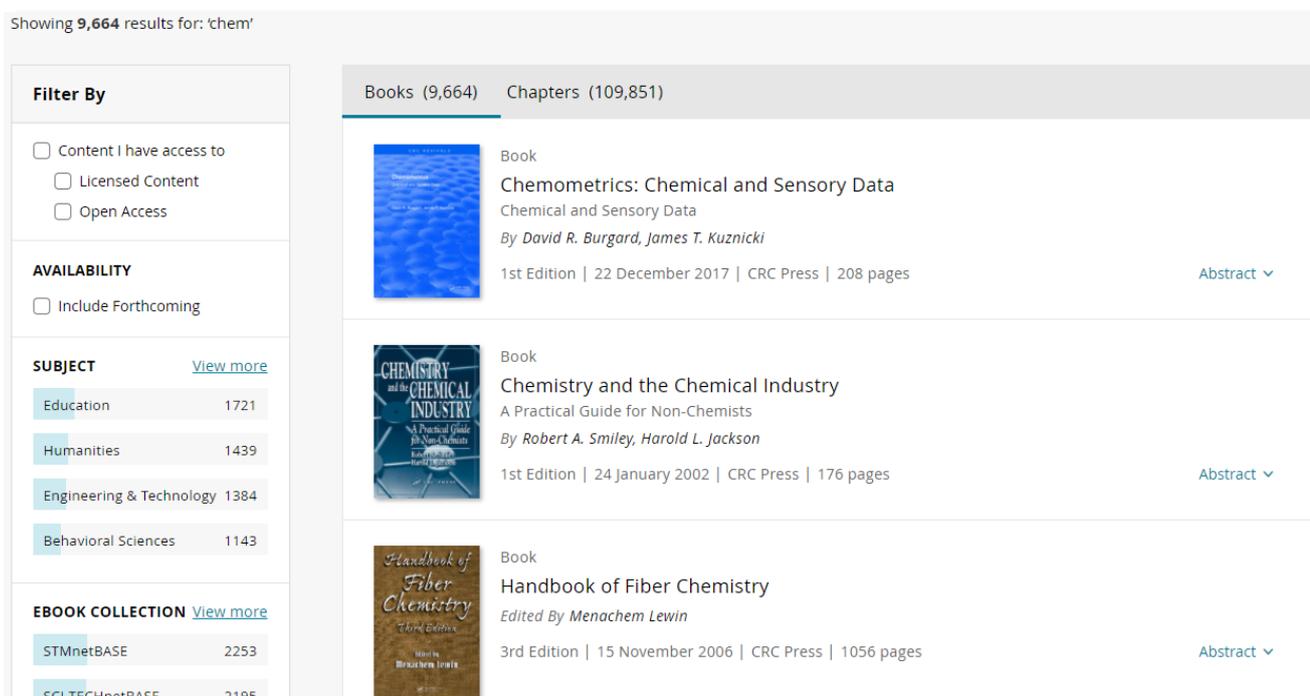

The screenshot shows a search bar with 'T&F eBooks' on the left and 'chem' entered. A dropdown menu displays six book suggestions:

- Chemical Engineering Fluid Mechanics** (Book) by Ronald Dar...
- Chemical and Functional...** (Book) Edited By Zdzis...
- Chemical Analysis of...** (Book) By James Smyt...
- Chemistry** (Book) By John Kenkel,...
- Chemistry of Pyrotechnics** (Book) By John A. Con...
- Chemical Reaction...** (Book) By L.K. Doraisw...

A 'View All' button is located at the bottom right of the dropdown menu.

If a user clicks on "View All", additional titles will also appear.

Showing 9,664 results for: 'chem'

Finding What You Need: Exploring Our Content

Use the main menu bar at the top of the screen for browsing options. This navigation element is always available on all pages within the site.

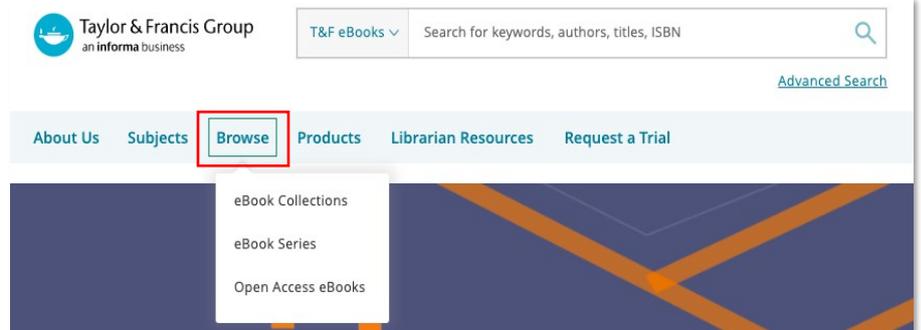

Search by subjects

Clicking 'Subjects' from the menu will open a dropdown with all subjects listed. Click on a subject to get a filtered list of eBooks under that subject.

Browse by

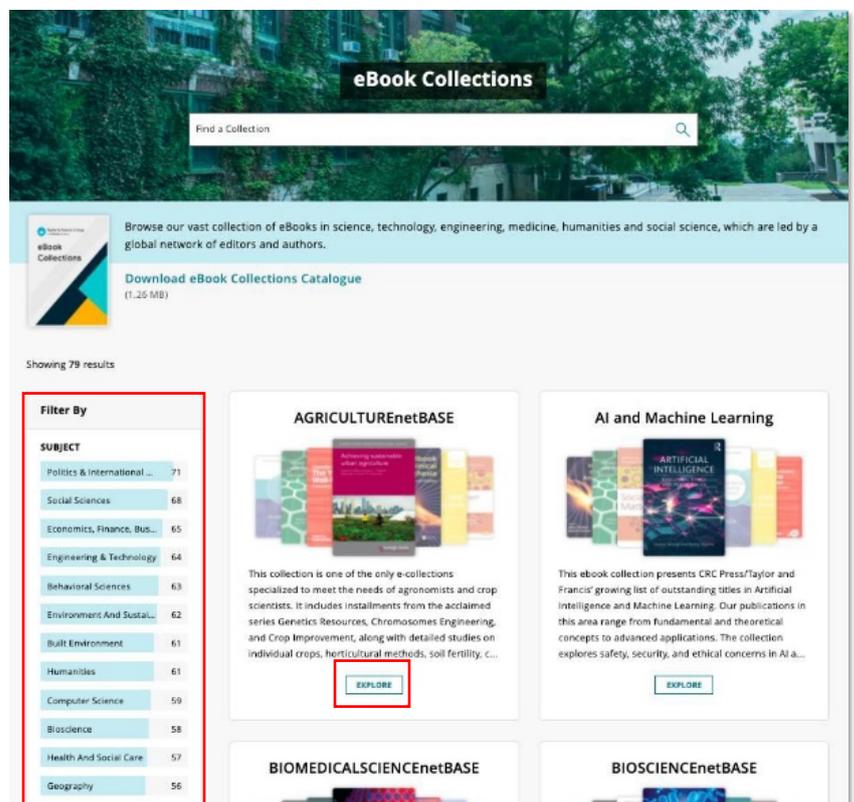

Clicking 'Browse' from the menu will let you see our content by eBook Collections or eBook Series, and allow you to view all our Open Access content.

Browse by eBook Collections

Browse through our extensive catalog of eBook Collections. The subject filter will help you find collections most relevant to you.

Use the 'EXPLORE' button to see the full list of titles within the collection.

You can filter the collection using a number of available search filters, or download full list of titles using the 'Download Collection Details' button.

To request a free trial for a collection, click the 'Request Trial For Collection' button, submit the form and our sales team will reach out to you.

The screenshot shows the ENGnetBASE collection page. At the top, there is a search bar and navigation links. Below the search bar, there are two buttons: "REQUEST TRIAL FOR COLLECTION" and "DOWNLOAD COLLECTION DETAILS", both highlighted with red boxes. The main content area displays a list of books, including "Convergence of More Moore, More Than Moore, and Beyond Moore", "New Horizons in Piling", "Lubrication Degradation Mechanisms", and "Topics in Contemporary Mathematical Analysis and Applications". A filter sidebar on the left is also highlighted with a red box, showing options for "Filter By", "AVAILABILITY", and "PUBLICATION DATE".

Browse by eBook Series

Browse titles alphabetically, or search for our eBook series. To explore a series, click the series name from the list, you can also download the full list of titles in the series using the 'Download Series Details' button.

The screenshot shows the eBook Series search interface. It features a search bar with the text "Find a Series" and a list of series names including GISDATA Series, GRACE Project, Garland Bibliographies in Contemporary Education, Garland Encyclopedia of World Music, Garland Encyclopedias in the History of Science, and Garland Gay and Lesbian Studies.

The screenshot shows the A-List SAT and ACT Series page. It features a search bar and a list of series names. Below the search bar, there is a button labeled "DOWNLOAD SERIES DETAILS" highlighted with a red box. The main content area displays a list of books, including "SAT ELA in the Classroom", "ACT Math in the Classroom", "SAT Math in the Classroom", and "ACT ELA in the Classroom". A filter sidebar on the left is also visible, showing options for "Filter By", "AVAILABILITY", and "PUBLICATION DATE".

Accessing an eBook

ACCESS TYPES

To help users find the content to which their institution has access, the **'Content I have access to'** checkbox on the search page can be used to narrow down the search only to the content that has been bought by the institution, forthcoming titles, and/or Open Access content.

In the example below, a search has been carried out by typing 'education' as a simple search term, and then adding a 'Sociology of Education' subject filter. These filters can be seen below the search bar.

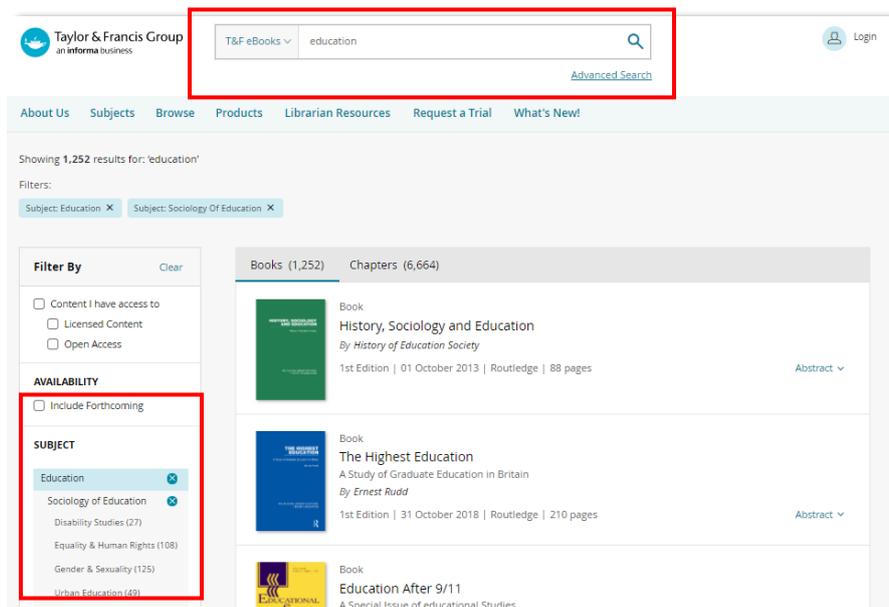

Results will be returned from within the 'Sociology of Education' subject category, where 'education' appears anywhere in the book's text.

Filter By

- Content I have access to
- Licensed Content
- Open Access

ACCESS INDICATORS

The access display options are as follows:

Titles available to access will have a full **'Green Tick'** button.

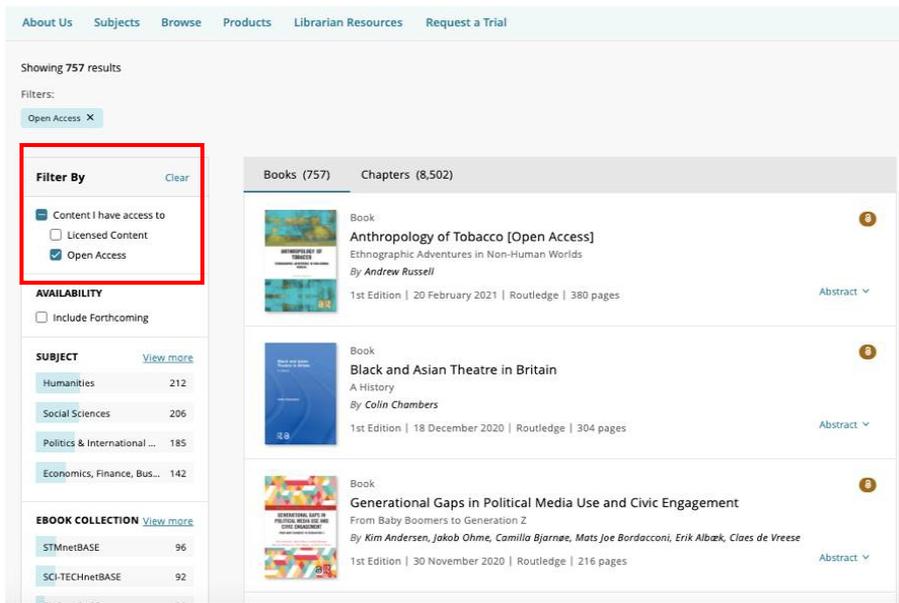

Titles not available to access will not have the **'Green Tick'** button.

Accessing OA eBooks

To view Open Access eBooks, filter by 'Open Access' in the 'Content I have access to' checkbox.

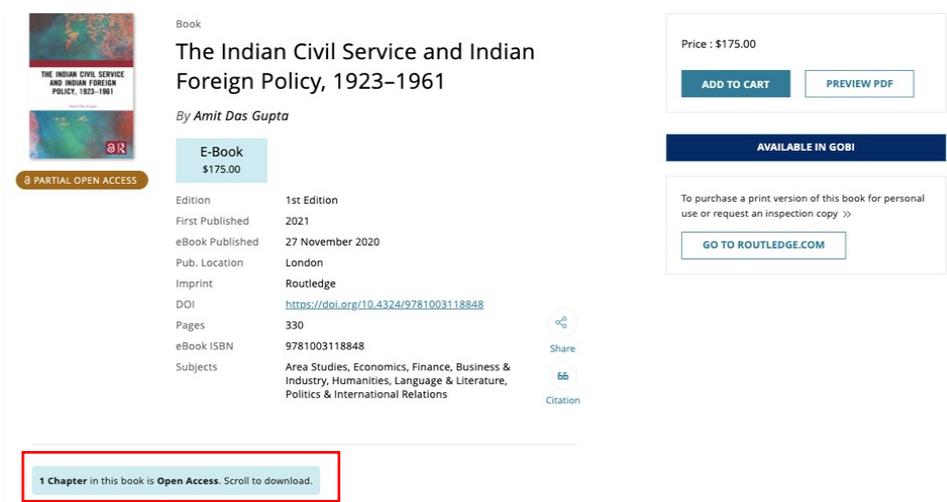

The screenshot shows a search results page with a navigation bar at the top containing 'About Us', 'Subjects', 'Browse', 'Products', 'Librarian Resources', and 'Request a Trial'. Below the navigation bar, it says 'Showing 757 results'. A 'Filters:' section is visible, with 'Open Access' selected. A 'Filter By' sidebar is highlighted with a red box, showing 'Content I have access to' with 'Open Access' checked. The main results area shows three book entries: 'Anthropology of Tobacco [Open Access]', 'Black and Asian Theatre in Britain', and 'Generational Gaps in Political Media Use and Civic Engagement'. Each entry includes a cover image, title, author, and publication details.

The Open Access search results will also show partial Open Access eBooks. By clicking through to the OA eBook page, you can view information on how many chapters can be accessed.

This screenshot shows a detailed view of search results. On the left, there are filters for 'EBOOK COLLECTION' (STMnetBASE, SCI-TECHnetBASE, ENGnetBASE, INFORMATIONSCIENCE...) and 'PUBLICATION DATE' (Recent Releases). The main results area shows two books. The second book, 'The Indian Civil Service and Indian Foreign Policy, 1923-1961' by Amit Das Gupta, is highlighted with a red box. A tooltip next to it says 'Partial Open Access: Some chapters in this book are Open Access and available to download.' The book's cover and title are visible.

The screenshot shows the product page for the book 'The Indian Civil Service and Indian Foreign Policy, 1923-1961' by Amit Das Gupta. The page includes a cover image, a 'PARTIAL OPEN ACCESS' badge, and a price of \$175.00. There are buttons for 'ADD TO CART' and 'PREVIEW PDF'. A section titled 'AVAILABLE IN GOBI' contains a link to 'GO TO ROUTLEDGE.COM'. The book's details, including edition, publication date, location, imprint, DOI, pages, ISBN, and subjects, are listed. A red box at the bottom highlights the text: '1 Chapter in this book is Open Access. Scroll to download.'

Using an eBook

Once a user has navigated to the book page they require, they will be presented with the bibliographic information corresponding to that title, and the option to read it if they have access.

The left screenshot displays the page for the book "Dynamics in Education Politics: Understanding and explaining the Finnish case" by Hannu Simola, Jaakko Kauko, Janne Varjo, Mira Kalalahti, and Fritjof Sahlström. It features an "OPEN ACCESS" badge and a "Citation" icon. The right screenshot displays the page for "History, Sociology and Education" by the History of Education Society. It includes a "Citation" icon and a "RELATED BOOKS" section.

Users can perform the following tasks, as highlighted in the following screenshots:

- » **Citation:** Users can get citation by clicking on the 'Citation' icon on the page displayed as below.
 - * The format of the citation is American Psychological Association (APA) style.

The screenshot shows the page for "History, Sociology and Education" by the History of Education Society. The "Citation" icon is highlighted with a red box. A "Get Citation" dialog box is open, displaying the citation text: "History of Education Society, (1971). History, Sociology and Education (1st ed.). Routledge. https://doi.org/10.4324/9781315823898". The "COPY" button in the dialog box is also highlighted with a red box.

User can copy the citation to the clipboard by clicking on the COPY button.

- » **Download by book:** Users can now download the entire book by clicking on the 'DOWNLOAD' button at the top right of the bibliographic information on the book page.
